Both teams will be staying at the Marriott Courtyard in Allen, TX. It is located near the stadium.

Where should my parents stay?

There may be room at the Marriott later in the week if they want to stay in the same Hotel. They must mention the Texas vs the Nation to get into the room block.

What should I bring to wear during off hours?

Bring sweats or whatever you feel comfortable wearing. We will provide cotton sweats top and bottoms.

Do I need to bring a suit?

Most definitely not.

Can I bring helmet decals and trade them?

Yes, you may bring decals from your team and trade. We must demand that only your decal is worn on your helmet during the game. Fox Sports requires this so that they can quickly identify you and your school. You will not be allowed on the field if you have another school's logo on your helmet.

What is the weather like in Dallas during game week?

The temperature during the week should be in the mid 50's. We have access to indoor practice facilities so wet weather will only be an issue on game day. We will practice outside if it is cold...Green Bay and Chicago want to know if you can play in the cold. FYI don't cry about it.

Should I bring warm weather gear?

Yes, probably. Bring clothes that wick moisture and layer well.

How many tickets do I get for the game?

Because the venue is smaller and should be close to a sellout no tickets are provided. Parents and agents should go to our website and purchase their tickets.

Should I bring money to the game?

You should bring some money and a credit card if you plan on charging incidentals to your room. You are on your own to go out with your agent or family members on Friday night. No meal will be provided on Friday evening you are on your own.

Meals.

Breakfast will be provided at the hotel each morning. Lunch and Supper will be provided at different locations during the week. Please check your itinerary or schedule for information.

Will I have time to talk to NFL scout during the week?

Most definitely, we want to make this the most beneficial time for you and the scouts. We have set aside time and areas that you can interview with the scouts that want to visit with you and vice versa. We will give the scouts your room number so that they may leave you a message or personally contact you.

What type of exposure to the next level will I receive?

All of the NFL and most CFL and Arena teams will be sending scouts to the Bowl Game. The main reason scouts are attending the game is to have you fill out questionnaires, watch practice and have an opportunity to talk with you in a relaxed setting.
